

# Key Benefits of Using Openfloat for Financial Management

#### Corporate Bills & Airtime

Pay your Bills and Buy Airtime in bulk without charges and save as you pay.

#### Easily Track Expenses in Real-time

With Openfloat, businesses can easily track their expenses in real-time, improving the accuracy of their financial records and cash flow management.

## Efficient Petty Cash Management

Openfloat offers efficient management through digitalizing the petty cash function. This reduces misappropriation, theft and accounting errors.
