

openfloat

» ABOUT OPENFLOAT

Openfloat by Pesapal is a business solution that digitizes petty cash, payroll as well as corporate bill payments. You can disburse funds, pay bills, and buy airtime in bulk. The float can be topped up via mobile money or via bank transfer to your Openfloat account number assigned to you upon registration. Pesapal merchants can also top up Openfloat directly from the collections on their Pesapal account.

» OUR VALUE PROPOSITION
