

## ONLINE INVOICING

Pesapal E-Invoicing simplifies the invoicing process for businesses. It creates personalized branded e-invoices that are sent to clients via email, eliminating the need for paper invoices. This feature facilitates a variety of payment methods, including credit and debit cards, mobile money, and bank transfers. It provides convenience for customers and streamlines payment collection.

### » Our Value Proposition

- ✓ Invoice globally in your local and USD currencies, with Pesapal enabling the various payment options.
- ✓ Enable partial and full payments on your invoice.
- ✓ Display your business logo, contact details and customize the fields of the invoice to your business theme.
- ✓ Send reminders for any unpaid invoices.
- ✓ Get paid faster when you send free professional, customizable invoices that make it easy for customers to pay.
- ✓ Receive payments for the invoices past the due date.

### » Why Use Pesapal Online Invoicing?

Your clients can pay via different payments methods.

You can choose to be paid in the selected currency or choose to be paid in the currency that is convenient for your customer.

All USD payments are sent to your USD wallet.

You can save the details of the customers you regularly send invoices to, for ease of access and record keeping.
